### Blue-Green Algae Waiver

At times, there is blue-green algae in Caldecotte Lake which can pose serious health risks. Whilst the committee will endeavour to make members aware when this is known to be present and facilitate simple precautions, I have ticked the box to indicate that I am aware of and accept the potential health risks and will take responsibility for minimising these.

### Declaration

Upon acceptance into the membership of the MILTON KEYNES ROWING CLUB (MKRC), I understand that rowing is undertaken at my own risk.

I agree to abide by the rules of conduct and constitution of MKRC. I confirm that I do not suffer from any disability or medical condition\* which may render me unfit for strenuous exercise.

I also confirm that I am able to swim a minimum of 100 metres (ROSPA recommendation).

\* Should any medical condition exist, this will not necessarily preclude you from membership/participation, but it must be declared. Should you be any doubt, advice should be sought by your doctor.
